# Lifelong Learning Opportunities for Adults of All Ages!!

LearningQUEST is a non-profit volunteer-led organization for adults of all ages, dedicated to building a learning community through educational and enrichment opportunities. LearningQUEST is partnered with the Huntsville-Madison County Public Library. Its programs are generally held at the downtown public library, but off-site venues are used when needed.

The organization's first public gathering was on May 19, 2009, in the downtown library's auditorium when 72 people attended an introductory meeting to learn about this new organization and its plans. From an original 10 members who met with the library's Executive Director to define the basics of the new organization, the organization has thrived as a 501(c)(3)

lifelong learning organization within our community, continuing to expand and engage its membership and to offer more program opportunities.

Each calendar year features two terms of programs: Spring (January – June) and Fall (July – December). Each term begins with a Rally Day, which has become a major event for membership registration, making new friends, fun and games, and program familiarization and selection. On Rally Day, the LearningQUEST catalog describing the term's programs is available for pickup. Members and many course instructors are present to answer questions. But most of all, it is a fun gathering in a warm and welcoming atmosphere.

LearningQUEST offers a wide variety of programs **in both online format and classroom settings. During the Covid-19 pandemic conditions, all local, state, national and CDC guidelines are in-place at all venue activities to insure staff and membership safety.**

- **Public programs** are offered each term as LearningQUEST's gift to the community—no fees or registration required. All are welcome to attend, and members are encouraged to invite friends.

With LearningQUEST membership dues of \$20 per calendar year, these additional opportunities are available:

- **Special Interest Groups (SIGs)** are organized and facilitated by LearningQUEST members for members who share a similar interest.
- **Member Enrichment Events (MEEs)** are special events scheduled during the year for LearningQUEST members. They are usually announced in the weekly E-News.

With an additional \$30 term fee, LearningQUEST members are eligible to register for courses and trips, as many as desired during that term as long as space is available.

- **Courses** are offered in a wide variety of disciplines. All instructors are volunteers with special knowledge of and interest in the subjects they teach. Courses range in length from a single meeting to several meetings during the term. No homework or tests are required for any course.
- **Trips** are organized by LearningQUEST members and are self-supporting by the participants. Trips range from short visits to local points of interest, to multi-day excursions to foreign countries.

LearningQUEST is managed through a Board of Directors, member committees, and an Operations Manager who coordinates and facilitates the essential day-to-day activities. As a volunteer-led organization, active member participation is essential to the existence of LearningQUEST. Members serve in administrative and leadership roles; as program planners, schedulers, and coordinators; as instructors and presenters; and as committee members handling a multitude of essential roles. Every committee needs additional volunteers, and all members are encouraged to find a way to contribute toward sustaining our learning community.

***Life is a continuing journey, with never-ending opportunities to learn, give, and grow.***

# FREQUENTLY ASKED QUESTIONS

This page offers a list of frequently asked questions. If you can't find the answer you're looking for, contact the LearningQUEST office at 256-529-8695 or [learningquest.email@gmail.com](mailto:learningquest.email@gmail.com).

## Who can be a member of LearningQUEST?

LearningQUEST is open to adults of *all ages* 19 and older, interested in lifelong learning.

## What are the fees for LearningQUEST?

Membership dues are \$20 for the calendar year, January–December, and are paid annually. The calendar year is divided into two terms: January–June (Spring) and July–December (Fall). New or renewing members can submit dues any time after January first of the current calendar year. New members who register for the first time after October first will receive free membership for the remainder of that calendar year. Any overpayment of dues will be considered a donation to LearningQUEST and will not be refunded.

There is a term fee of \$30 for each term, which allows members to register for unlimited courses and/or trips within that term as long as space is available. Note that supplies for some classes, as well as costs for trips and excursions, may require additional fees.

- Membership dues and term fees are encouraged to be paid with one check, and couples may combine their payments on a single check.
- If you are registering for a trip that involves additional costs:
  - Special Trip – A separate check must be collected at Rally Day or afterwards. Registration is not complete until payment is received.
  - Local Trip – The Trip coordinator will contact registrants with instructions for payment.

## How do I join and/or register for courses?

- Attend the Spring Rally Day on Tuesday, Jan. 11, 10 – noon at the First Baptist Church at Entrance #7 on St. Clair Avenue, directly across from the Downtown Library; or
- Attend “Post Rally Days” to the left of the 1st floor Main Desk in the Library on Tuesday, Jan. 18, 10 – noon, or Thursday, Jan. 20, 1 – 4; or
- Go to [lquest.org](http://lquest.org), create an account, and join, register, and pay online using the secure portal; or
- Go to [lquest.org](http://lquest.org), download registration form/s, and mail completed forms and fees to LearningQUEST, P.O. Box 2387, Huntsville, AL 35804; or
- Come by the LearningQUEST office during regular office hours.

Note that registration continues throughout the term as long as space is available.

## How do I know if I am successfully enrolled in a course?

All paid registrants will be notified of their course status by email or US Postal mail if they do not have an email address. If course limits have been exceeded, they may be placed on a waitlist and will be notified if an opening occurs. A reminder email will be sent to all registrants at least five days before the course starts.

## How do I register for a trip?

Registration information can be found in the Trips and Excursions section of the catalog. Members may sign up for most trips on the same registration form used for class registration. If a trip involves additional costs, see the fees section on this page.

## Where is the LearningQUEST office located, and what are the office hours?

The office is located on the second floor of the Downtown branch of the Huntsville-Madison County Public Library in the alcove to the left of the Reference Desk. Office hours are Tuesday mornings, 10 – Noon, and Thursday afternoons, 1 – 4.

## What happens when a course or trip reaches its maximum capacity?

The LearningQUEST registrar maintains a waitlist of students in order of their registration, and, working with the instructor, course scheduler, and coordinator, may:

- Review class size limits to see if they can be increased or if larger accommodations are available.
- Schedule additional sessions in the same term or repeat the course or trip in a later term.

## When will an instructor or coordinator know how many are enrolled in his/her course?

The registrar may be contacted for an enrollment number; however, registration continues throughout the term as long as space is available, so the number may change. At least five days prior to the first course session, the registrar will email a sign-in attendance sheet of registered students to the course coordinator.

## What is the Drop/Add Policy?

Notify the registrar at [LQregistrar@gmail.com](mailto:LQregistrar@gmail.com) as soon as possible if you cannot attend a course for which you have registered, or if you wish to add a class. You may also drop/add online at [lquest.org](http://lquest.org) through your account. This is especially important in courses that are closed with a waitlist.

### **Are guests permitted to attend a LearningQUEST course?**

As long as the course is not full, and with instructor approval, guests are welcome to attend a single session before paying the appropriate membership dues and course fee.

### **Why don't I get my LearningQUEST E-News?**

If you have received your E-News in the past, you may have been inadvertently unsubscribed. If you share an email account with others, make sure all are aware of the importance of the E-News and do not unsubscribe without each other's knowledge. It is also possible that the E-News has been marked as spam. Check your email spam folder, and move the E-News back to your inbox. Contact LQnewsinput@gmail.com for assistance.

### **What if I don't want a LearningQUEST photographer to take my picture?**

Let the event photographer know you prefer not to have your picture taken. Notify LearningQUEST leadership if you wish to have a picture deleted from the LearningQUEST website or Facebook page.

### **What is the inclement weather policy?**

If the Downtown Library is closed, this information will be posted at hmcpl.org by 6 AM, and LearningQUEST programs will be cancelled for that day. If the event is at a venue other than the Library, the coordinator will relay the adverse weather or road condition statement from the Operations Manager to the event registrant listing.

### **How do I report my volunteer hours?**

If you help with the planning or execution of any LearningQUEST activities, please send your number of volunteer hours to LQvolunteers@gmail.com. Hours are to be reported monthly.

### **How do I report a change of contact information?**

Please keep LearningQUEST informed of any updates to your contact information by sending changes to LQmembership@gmail.com.

### **How can I stay informed about LearningQUEST activities and updates?**

The LearningQUEST website is the most direct source of information and updates. LearningQUEST's website calendar is updated regularly to reflect any changes to the program schedule. LearningQUEST's Facebook page is another good source for current information. The weekly electronic newsletter updates the membership on upcoming trips, public programs, and changes in course schedules as well as special events. The newsletter is sent to all members through email, printed and displayed in LearningQUEST's bulletin board on the left in the hallway going to the auditorium, and is available to view in the office. You can also call the office at 256-529-8695 during office hours on Tuesdays and Thursdays. You can also contact LQoperationsmanager@gmail.com and sign-up to receive program updates via text messages.

### **Is there a general email address for LearningQUEST?**

There are several specific email addresses within these Frequently Asked Questions. They include the topics of registration, volunteering, and membership. There is also a general email address available for correspondence that doesn't match a category. It is learningquest.email@gmail.com.

Several online courses are now being offered for members to enjoy in the safety of their homes. Current social distancing, face mask and CDC guidelines are enforced at all venue events.

**BOARD POLICY:** Some programs require additional fees as noted in the course description. The coordinator will provide instructions for payment of fees which will be by check only made out to LearningQUEST. Checks will be held by the coordinator until one week prior to the event and then deposited. Should a program be cancelled, the checks will be returned or destroyed. ## Letter from the Board of Directors President

This new year brings special opportunities as well as unique challenges. Many thanks to Darryl Palm, our Operations Manager, to our course presenters, and to the leaders of LearningQUEST who have helped us over the past couple of years and who continue to serve today. Your creative and diligent work has provided interesting, thought-provoking courses for us under some difficult circumstances. Much has changed, but through your efforts a bright future lies ahead of us:

- LearningQUEST now utilizes several new strategically located venues.
- LearningQUEST initiated virtual learning last year, broadening our outreach to include presenters and members beyond our geographical area.
- LearningQUEST plans some fascinating and enlightening courses for 2022, as you will see in this catalog.

Finally, a special thanks to all our members who encourage us and make LearningQUEST the excellent adult learning experience that it is today and will continue to be in the future!

LearningQUEST Board President  
Charles Gattis

## 1-What is the "Good Life" and How do I get it?

**Instructor:** Jimmy Duplass  
**Dates:** 6 Tuesdays, Jan. 18 – Feb. 22  
**Time:** 10 – 12  
**Location:** 2FL

The goal of the course is to bring people together in a friendly forum to examine the topic that philosophers, since Socrates, refer to as the "Good Life". This conversational course requires participants' active, thoughtful engagement with other participants and the instructor. The role of the instructor is not to "give" participants the "right" answers but to help the participants ask the right questions and clarify their ideas and feelings about "Things That Matter". Most people think of philosophy as a record of Western intellectual thought, but it is also a tool, a systematic way of thinking to help individuals reconcile their thoughts and feelings by asking appropriate questions about things that matter and reflecting on their personal perspective and those of others. The instructor will introduce ideas from

philosophers when appropriate to the furtherance of the discussion. The first class will serve as a springboard by exploring the idea of the "Good Life": what is it, how to think about it, what some philosophers have said, and how one can possibly achieve it in one's personal life. The remaining classes will be based on what the participants decide the group should focus on, given the unanswered questions. *Max: 10*

## 2-The British Royals (Part I)

**Instructor:** Guy Collins  
**Dates:** 7 Tuesdays, Jan. 18 – Mar. 1  
**Time:** 10:30 – 12  
**Location:** AUD

Participants will discover the fascinating stories of the many royals who have ruled in this two-part survey of famous English monarchs. Coverage will include significant events in English history from the Roman era through the Tudors (Part I). Part II (Fall Term) will begin with the Stuarts and end with the Windsors. ## 8-Shakespeare’s Coriolanus

**Instructor:** Jeff Nelson  
**Dates:** 3 Thursdays, Jan. 27 – Feb. 10  
**Time:** 1:30 – 3  
**Location:** AUD

In Shakespeare’s *Coriolanus*, early Rome struggles to establish a functioning government. Yet is this possible when there is an irreconcilable conflict between the narcissistic war-hero Coriolanus, his rigidly traditionalist mother, some self-serving tribunes, and a crowd of angry, starving citizens? Not as well-known as his other plays, Shakespeare’s *Coriolanus* was admired by T.S. Eliot and Frank Kermode, who called it “probably the most fiercely and ingeniously plotted and expressed of all his tragedies.” And the range of interpretations is astounding; numerous directors, for example, have used this play to explore the politics of 1930s Germany, 1980s Eastern Europe, and today’s Great Britain. By viewing some excellent performances on DVD and closely reading the text itself, participants will explore this rich and complex work.

**Instructor:** Carolyn Rhodes  
**Dates:** 1 Thursday, Apr. 14  
**Time:** 9 – 10:30  
**Location:** Matrix Gym

A sweaty gym may seem an unlikely setting for a miracle —BUT it happens several times a week during an exercise program developed particularly for individuals who have been diagnosed with Parkinson's. Program participants are called "boxers" and each "boxer" has a "helper" during each session. The program—Rock Steady Boxing—focuses on exercises for agility, balance, speed, strength, dexterity, and cognition. The exercises will not reverse Parkinson's disease but definitely can slow its progression and improve a "boxer's" balance, reduce muscle stiffness, and lower the risk of falls. Although boxing is a key element of the program, "boxers" hit bags not people. LearningQUEST registrants will have the opportunity to either observe or participate as a "helper" in a 90-minute exercise session. Those choosing to be a "helper" will experience the exhilaration of assisting a "boxer" for a morning. The program is an invaluable resource for those with family and loved ones diagnosed with Parkinson's. Matrix Gym is located at 3228 Leeman Ferry Rd SW, Huntsville, AL 35801. *Max: 13*

This safe and gentle form of exercise is appropriate for all ages and fitness levels. It is easily adaptable to certain physical limitations and health conditions. Tai Chi for Physical Fitness is a program for beginners with ten one-hour-long sessions.

### 35-Let's Go To Trial!

**Instructor:** Tom Borchert  
**Dates:** TBD  
**Time:** TBD  
**Location:** Madison County Courthouse

"Let's go to trial!" This first-of-its-kind program for LearningQUESTers takes you into a courtroom to watch a real trial as it unfolds. Program leader Tom

The number of participants will ultimately be determined by the size of the particular courtroom involved. Participants will sit through the trial and then meet to discuss the case and hopefully have at least one of the attorneys involved join us. (A flexible mind-set is a prerequisite as trials are often continued and we will have to adjust accordingly.)

## **P2-The Year the Rockets Came: A Snapshot of Huntsville in November 1949**

**Instructor:** David Lilly  
**Dates:** 1 Tuesday, Mar. 15  
**Time:** 10:30 – 12  
**Location:** AUD

The long-awaited news appeared on the front page of the Friday, November 4, 1949 issue of the Huntsville Times. It confirmed what local leaders had been working and hoping for; Huntsville was to be the new home for the von Braun Rocket Team as well as hundreds of civilians, soldiers, and their families who were transferring from Fort Bliss, Texas to Redstone Arsenal. It was an event that would forever change the city. Special Collections Librarian, David Lilly, will present a snapshot look at Huntsville on this momentous day. What was life like in the city in the late 1940s? Where did people go to buy food, cars, and clothing? How did

Huntsvillians entertain themselves? How much did everyday things cost? What was playing at the local theaters? Why were the textile mills, long considered the centerpiece of the area's economy in previous decades, no longer the economic engine for the future of the community? What was life like for Black Huntsvillians? "The Year the Rockets Came" will be a fun but informative look at Huntsville on the edge of a startling transformation from a small town to a rapidly growing city.

## **P3-Operation Pedestal: The Convoy That Saved Malta, August 1942**

**Instructor:** David Lilly  
**Dates:** 1 Tuesday, Apr. 12  
**Time:** 10:30 – 12  
**Location:** AUD

The Pedestal Convoy simply had to get through. If it failed, the British held Mediterranean island of Malta would almost certainly surrender to the Axis and be another defeat for Great Britain in the dark summer of 1942. Special Collections Librarian, David Lilly, will explore the desperate fight to force a convoy filled with food, supplies, and oil through the Mediterranean from Gibraltar to the beleaguered island. The Operation Pedestal force was one of the largest concentrations of British naval power organized during the Second World War and was met by determined German and Italian opposition above, on, and below the sea. It succeeded, by the narrowest of margins.
