- Due to the Covid-19 outbreak, a number of classes had to be dropped which resulted in the Program numbers being missing. Also, some classes will be offered only in an online format, and are marked as such. One class was added back into the schedule after the catalog went to print, and is marked as such.
- **Please Note: At this point the library has not provided capacity guidelines for their meeting rooms. As a result, until the library issues guidelines, everyone registering for a program to be held at the library will temporarily be put on the "Waitlist". Once we receive capacity guidelines, the LQ Online system will upgrade as many as allowed to "Enrolled" in the order of registration. You will receive an email indicating if you were "Enrolled" or continue as "Waitlisted".**
