Instructor: Kristen Lindelow
Date: 1 Tuesday, Sept. 15
Time: 1:30 – 3:30
Location: Liquor Express

This course reschedules the previously cancelled class and continues the wine romp through France. It will cover the southeastern regions of France: Rhône, Provence, and Languedoc-Roussillon. The Mediterranean Sea greatly influences the wine grapes grown in these regions. Participants will discover the big red blends of the Rhône Valley and the fruity lighter wines of Provence made with Cinsaut, Grenache, Mourvèdre, and Ugni Blanc. Then the course will explore some of the Languedoc-Roussillon region where there are many bargains to be found. We'll taste six wines during the session and provide proven food pairings that help us appreciate the wine even more. Under Kristen’s direction, participants will explore and talk about how the food affects the flavors (and enjoyment) of the wine and vice versa. Kristen will include some history of the regions and how winemaking styles differ. Program will be held at Liquor Express, 1812 University Dr. Fee: $35 to be paid to the coordinator prior to the first class to assure a reservation in this program. See Policy on page viii of this catalog. Max: 40
